

Professional Support Staff

Foster Swift has over 100 support staff positions including legal secretaries, paralegals and various administrative assistants. The firm has an outstanding reputation as a caring employer with excellent fringe benefits. We are proud to employ many long term employees and feel our low staff turnover rate is the best indicator of the fine place it is to work. Described by many as highly professional, yet friendly and family-oriented, Foster Swift is one of the finest law firms in Michigan. If you are interested in working for a first rate law firm in any support position, we invite you to submit a written application, including your current resume to:
